INDEPENDENT AUDITORS' REPORT

To the Board of Governors  
Southern Arkansas University Foundation, Inc.  
Magnolia, Arkansas 71754

We have audited the accompanying statements of assets and liabilities arising from cash transactions of the Southern Arkansas University Foundation, Inc., as of December 31, 2010 and 2009 and the related statements of income collected and expenses paid for the years then ended. These financial statements are the responsibility of the foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note A, these financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and liabilities arising from cash transactions of the Southern Arkansas University Foundation, Inc., as of December 31, 2010 and 2009, and its income collected and expenses paid during the years then ended, on the basis of accounting as described in Note A.
